Stewart Title of California, Inc.

# Partial Fee Schedule for Title Insurance

# **Residential Rates**

Effective July 22, 2024

### Explanation of Partial Fee Schedule Terms - Residential Rates

#### **Amount of Insurance**

Total amount of the sales transaction rounded to the next highest dollar.

#### **Residential Rate**

The Residential Rate is the title insurance rate that is applicable to those transactions covering residential one-to-four-unit properties.

#### **Applicable Rate**

Depending on the property type, title insurance fees will be calculated by applying either the Residential Rate or the Basic Rate (as defined herein). For example, the title insurance fees for a sale or loan transaction covering a residential one-to-four-unit property would be determined by applying the Residential Rate; the title insurance fees for a sale or loan transaction covering a 10-unit apartment building or a shopping center would be determined by applying the Basic Rate. Therefore, the rate applied, which will be determined by the property type that is the subject of the transaction, is the Applicable Rate, unless otherwise provided for in the Stewart Title Guaranty Company filed Schedule of Charges and Forms for Title Insurance in the State of California (rate manual).

#### CLTA/ALTA® Homeowner's Policy Rate

The rate for a CLTA/ALTA Homeowner's Policy, which is an expanded coverage policy available to individuals (including their trusts) of residential one-to-four-unit properties is 110% of the Residential Rate.

#### Western Regional Exceptions (WREs)

WREs are California generic exceptions for standard coverage related to taxes, easements, liens, or encumbrances, mining claims, patent reservations or exceptions, water rights, mineral rights, mechanics' liens and matters that would be identified in an inspection or a survey. See full definition of WREs in the Explanation of Partial Fee Schedule Terms – Basic Rates section.

#### ALTA Residential Refinance Rate

The Refinance Rate is the title insurance rate that is applicable to policies covering a new loan for the purpose of the refinance of existing secured debt when an ALTA Loan Policy (without Western Regional Exceptions) is issued.

#### **ALTA Residential Concurrent Loan Rate**

This rate applies when an ALTA Loan Policy (without Western Regional Exceptions) is issued concurrently with an ALTA Owner's (with Western Regional Exceptions), a CLTA Owner's, a Homeowner's or an ALTA Owner's (without Western Regional Exceptions) Insurance policy in a sales transaction for the full value of the land and improvements. The Concurrent Loan Rate is based upon the Section 11.6 chart available in the rate manual.

#### Stewart Title Absolute Rate (S.T.A.R.)

The S.T.A.R. is the fee charged for a lender's policy of title insurance on improved one-to-four-unit residential property for loan transactions refinancing existing debt. To advertise a single combined title and escrow rate, the S.T.A.R. may also be used in conjunction with a properly filed escrow rate filed by a policy issuing agent of Stewart Title Guaranty Company.

# The S.T.A.R. applies only when all of the following conditions are met:

- 1. The order is opened electronically;
- 2. The preliminary report is delivered electronically;
- 3. The preliminary report may use generic exceptions for such matters as Covenants Conditions & Restrictions and Easements of record or may reflect the actual filed exceptions of record (e.g. book and page) when contemplating the issuance of any loan policy product, i.e., an ALTA Short Form Residential Loan Policy, a CLTA Standard Coverage Loan Policy, an ALTA Loan Policy (with Western Regional Exceptions), or an ALTA Loan Policy (without Western Regional Exceptions) also known as the ALTA Extended Loan Policy; and
- 4. The policy is delivered electronically.

For more specific or additional information regarding available policies or coverage, please contact the Stewart Title of California office nearest you.

#### TILA-RESPA Integrated Disclosure Information

- TRID Lender's Title Premium = The TRID Lender's Title Premium is the Full Loan Rate Premium Amount as if no simultaneous issue discount applies. CALCULATION: The Residential Rate Section 11.2 Chart using the actual loan amount.
- 2. TRID Calculated Owner's Title Premium =
  The TRID Calculated Owner's Title Premium
  is the additional/incremental amount
  that is paid for Owner's insurance when
  a concurrent loan policy is purchased.
  CALCULATION: The Actual Owner's Premium
  PLUS the Actual Simultaneous Lender's
  Premium MINUS the TRID Disclosure
  Lender's Premium at the Full Loan Amount.
- 3. Title Premium Adjustment = A Title Premium Adjustment is necessary when the Seller pays all or a portion of the Owner's Title Insurance Premium. The Title Premium Adjustment is required to correct the difference between actual premiums charged and the required TRID amounts. CALCULATION: The Actual Lender's Title Premium MINUS the TRID Lender's Title Premium.
